

**COMMITTED**  
TO ECONOMIC DEVELOPEMENT

## INNOVATION

& ADVANCED NETWORK INFRASTRUCTURE

In a world where connectivity drives economic development, Comcast is your natural partner. We invest the time, resources and expertise necessary to help you plan and build a successful project.

Email [Economic\\_Development@comcast.com](mailto:Economic_Development@comcast.com) to speak with a member of Comcast's Business Development team one-on-one about your project.

## NATION'S LARGEST PROVIDER

of gig speeds available to 59 million homes and businesses, Comcast maintains a powerful network and consistently delivers speed, innovation, and scalability others can't.

## GREATER CHICAGO REGION SERVES MILLIONS

of residential and business customers throughout central and Northern Illinois, Northwest Indiana, and Southwest Michigan.

## 53,000+ MILES OF ADVANCED NETWORK INFRASTRUCTURE

in the region, across the city, along highways, next to airports and in employment hubs and business corridors designed to promote growth and spur economic development.
